

Free Debt Help on your Doorstep, with new Debt Centre opening in Nettleham

When financial trouble hits, it's easy to feel alone. It can seem like no one can help or that no one wants to. Local debt counselling charity Christians Against Poverty (CAP) really can help and hundreds of people call each week to begin their journey towards financial freedom.

Experience has shown that there is always a way out and no debt is too big or too small to deal with. In fact, if you are experiencing debt problems then you can get free, expert advice without even leaving your house.

CAP visits people in their own homes, negotiates with creditors and supports people right up until they are debt free. On top of this, the whole service is free of charge and available to anyone regardless of age, faith, gender or background.

A CAP client from Lincoln said "I had so much responsibility and stress on my shoulders before CAP got involved. I was trying to work as well as raise my two children on my own and just felt like I was constantly paying out here, there and everywhere on debts. This left no spare money for me to take or spend any days out with my kids. Now CAP are involved, I pay one monthly payment, less stress and more spare money – great!"

In the UK, there are 252 CAP Debt Centres and three of these are in Lincolnshire; in Lincoln, Market Rasen, and now at the new centre in Nettleham, covering the whole of Lincoln North Methodist Circuit. This means that local people can access the service, which is recommended by TV's Money Saving Expert, Martin Lewis.

Nettleham CAP Centre Manager, Marcus Harborne, said, "Every week we will expect to see people who think that there is no way out of their money problems and every week we will offer them a solution that really works. If you are struggling with debt then there is hope. We can help you."
