

October 25<sup>th</sup> 2018 @ 2pm

Washingborough Methodist Church

Concerned about children going into care?

Come and hear how this Christian charity creates extended family-like support to encourage and strengthen families undergoing a crisis and how you can be part of this.

The afternoon will involve a presentation by Dale Newman, Community Volunteer Manager for Greater Lincolnshire, and the chance to ask questions

Safe Families for Children is funded by the Local Authority Children's services and works in partnership with volunteers from local churches who act as a Resource Friend, a Family Friend or a Host Family to support families having a hard time
