The Indonesia Tsunami Appeal

Saturday 16<sup>th</sup> February

10.00am to 12 noon

Hot and cold drinks

And homemade cakes

also bring and buy stall,

At least 430 people were killed, 14,000 injured and 33,000 displaced after a tsunami hit coastal towns and tourist beach resorts on Indonesia's Sunda Strait. The giant tidal waves, triggered by a volcanic eruption, struck without warning on Saturday 22 December, uprooting trees, damaging buildings and roads, and destroying homes
